A FEW WORDS IN POINT,

TO THE INDEPENDENT

Electors of Weſtminſter.

HAS not the brave HOOD, by *beating your Enemies* abroad, maintained you in peace and *proſperity* at home?

Has not *Macaroni* TOWNSHEND, by *undermining* your peace and happineſs at home, made you appear *ridiculous* and contemptible abroad?

Is not LORD HOOD ſupported by and connected with men of diſtinguiſhed rank and honourable character, who deſerve well of their Country, and are eſteemed by the Public?

Is not LORD JOHN TOWNSHEND ſupported by and connected with a Gang of *needy* and *notorious Strugglers*, without a *remnant* of *property*, or a *rag* of *reputation*!!!

Alas! JOHN BULL, when will you ceaſe to be HUMBUGG'D!!
